

MANGHAM BAPTIST CHURCH
MAY 2017 NEWSLETTER
Rick Aultman—Pastor

FROM THE PASTOR,

I want to take this opportunity to say “Thanks” to all those who helped with our afternoon and evening of ministry on April 23rd. The morning service and message on “faithfulness” was followed by an afternoon of service to those in our church and community. What a blessing to see dozens of church members reaching out to serve others in Christ. We cleaned up a couple of yards that had been damaged by the recent storms. We were also able to visit with some in our community who are sick or home-bound.

I realize that this was not the traditional way to spend a Sunday afternoon but also recognize the benefits of church-wide ministry projects. Some of those benefits are:

Fellowship: it was a great way for church members to spend time together in a project that did not divide us into age or gender groups.

Evangelism: we had the opportunity to share Jesus with some people who might not otherwise have heard the good news.

Positive Advertising: I heard several comments by people who were impressed with a church that “practices what they preach”.

Worship: Many may not think that picking up limbs is worshipful, but when we are being faithful, we are worshipping the Lord. “And the King shall answer and say unto them,”...inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.” (Matthew 25:40. KJV)

Believing and Belonging, Bro Rick
