

MANGHAM BAPTIST CHURCH FEBRUARY 2019 NEWSLETTER

Rick Aultman—Pastor

FROM THE PASTOR

There is a spiritual discipline that is often overlooked, resulting in so many missed opportunities to grow the kingdom and strengthen our brothers and sisters in Christ. That spiritual discipline is encouraging one another. In Hebrews 10: 24-25, we are reminded “and let us consider how to stimulate one another to love and good deeds, not forsaking our own assembling together, as is the habit of some, but encouraging one another; and all the more, as you see the day drawing near.”

Next to prayer, the encouraging of one another may be one of the simplest and easiest to perform of all the spiritual disciplines, and yet is one of the things that seem to be missing from the modern church. Maybe because encouragement is so powerful and because it is often overlooked, that is the reason that the Lord commanded that we do it. If such a small thing can make a huge difference in peoples’ lives then we should get to it. And here’s how:

Pray it: ask God to lead you to those who need encouraging.

Say it: Don’t just tell people that you like their haircut or their new shoes. These things are nice but we need to be encouraging people in the Lord. Remind them of God’s promises and that He will always be there for them to be their shield and strength.

Display it: just do it. Develop the habit of encouragement and watch what the Lord will do in your life and in the lives of others.

Believing and Belonging,
Bro Rick

Cross Camp 2019

Cross Camp 2019 will be held at LA Tech University. July 15th-20th. The theme of camp will be Identity. The cost of camp this year will be \$275.00. Youth are welcome to start signing up anytime. Sign up will end April 14, 2019. This will also be the day that a deposit of \$100 will need to be turned in to Jeremy or the Office. Camp has been growing, so if your student does not sign up by April 14, I cannot promise they will be able to attend camp. There were no more spots available after the deposit deadline this past year when I asked.

Also, if they do want to sign up after that date and there is a spot available, their cost goes up from \$275 to \$300. If your student wants to attend camp, but cost is an issue, let me know. We always have people who are willing to help. I keep the need confidential.

If you have any questions about anything, don't hesitate to call or text me.

Thanks!
