FROM THE PASTOR

God's Word

Our lord is so amazing!! He has blessed in so many ways. And one of these blessings is His Word. To many people the Bible is just a book. They think that it is just words on pages that do not mean anything to us in these modern days. Yet God, in His wisdom, has given us not only His written word but also His living Word that is Jesus Christ. When Jesus saves your soul and comes to live in your heart, your life is changed. His presence in your life gives us new understanding of his printed word. We need to read and study God's word because through His Word, He will continue to grow and strengthen us and guide us in the paths that He would have us walk. His Word nourishes our soul when we are spiritually hungering and thirsting for righteousness. His Word is light to guide us as we walk through the darkness that is this world. His Word is a sword for protection; a map for direction; a word that informs us and a word that transforms us. So, take the time that God has given you today to read and study His Word.
