

MANGHAM BAPTIST CHURCH
MARCH 2021 NEWSLETTER
Rick Aultman—Pastor

March 2021

During the recent winter storm, many of us were without power. Many towns and communities were literally in the dark for days, and some remain without power and should be remembered in our prayers. When power began to be restored, street lights came on, houses lighted up, business signs were illuminated, and everyone breathed a sigh of relief. While electric lighting makes our lives much easier, there is another light that makes an even greater difference in the world. Jesus reminds his followers, “You are the light of the world. A city on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead, they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven.” (Mathew 5:14-16)

This world is a much different place when God’s people let their light shine. While power is being restored to the area, let us not forget that there are those who will still be in spiritual darkness long after the power is repaired. Shine your light in such a way that the world will see and praise God.
