

MANGHAM BAPTIST CHURCH
MARCH 2022 NEWSLETTER
Rick Aultman—Pastor

March 2022

Spring is on its way. If we take the time to look around us we see that nature is the handiwork of our Lord. It will not be long before the trees are budding out and flowers are starting to bloom. The birds' nests will be full of eggs and we will see signs of new life everywhere. The variety of flowers, plant life and animals display the depth of God's imagination and show his desire to give life. The mountains stand in mute testament to his majesty and grandeur. The seas and the oceans swell and rage in honor of his mightiness and universal power. The sun and moon and stars brilliantly but quietly shine to his glory.

Think about this for a moment. All of creation displays different characteristics of the creator but only one small part of his creation can actually tell of his love. Mankind is not just a simple part of creation; we are the crowning glory. We are made in HIS image. We are able to express feelings and emotions and unlike any other portion of God's creation, we can tell of his love. When a person experiences the life changing love of God through salvation in Jesus Christ, that person now has not only the opportunity to tell of the love that God has given but is obligated by our calling to share with our words and show with our actions this love that comes only through Jesus. "For we are His creation, created in Christ Jesus for good works, which God prepared ahead of time so that we should walk in them." (Ephesians 2:10)

Believing and Belonging,
Bro Rick
