April Newsletter

In just a few weeks, we will celebrate the apex of Christian belief, which is the Resurrection of our Lord and Savior, Jesus Christ. For many years the scoffers and doubters called into question the very existence of Jesus. But in the face of overwhelming historical, archeological, and scholarly evidence, the world now accepts His life as a historical fact. But the modern-day scoffers and doubters now try to bring into question the resurrection of Christ. But again, there is a preponderance of the evidence that testifies to the truth of the resurrection. While there is much scholarly evidence pointing to the reality of the resurrection, the greatest evidence is found in the millions of lives that have been changed as a result of the living Christ.

So that begs the question: Is your life proof that Jesus rose from the dead and lives in the heart of his people? If you are truly born again, then you will have the opportunity to serve as a witness to the resurrection for the rest of your life. Let's show the world that Jesus really did rise from the grave and lives today to empower and guide His followers.
