March 2023

1 Corinthians 3:6-9 states, “I planted the seed, Apollos watered it, but God has been making it grow. So, neither the one who plants nor the one who waters is anything, but only God, who makes things grow. The one who plants and the one who waters have one purpose, and they will each be rewarded according to their own labor. For we are co-workers in God’s service; you are God’s field, God’s building.

Spring is coming. It won’t be long until we see tractors moving through the fields planting crops. In our area, corn, soybeans, cotton, rice, and sweet potatoes are just some of the crops that will start springing up. No farmer will go out to his field after he is done planting and wonder what is going to come up. On the contrary, the farmers are very intentional in what they plant and trust that what has been planted is exactly what is going to grow in any particular field. They trust the seed.

What are you planting in your life? God’s people are called to plant and cultivate the gospel of Jesus Christ. Are you being faithful to plant and water the gospel seeds? God will cause the growth, but He is depending upon us to plant the fields.

Believing and Belonging, Bro Rick

From the Word

We will be looking at the basis of discipleship and the transforming power of God's word during our worship time for the month of March. From the pulpit, we'll be discussing the importance of growing and maturing into the people God has called us to be.

Mission Trip

We are in the beginning steps of planning a summer mission trip, and I will be headed to northern Arkansas to "scout" some possible sites. Be in prayer concerning the planning of this trip as well as your involvement. Within the next few weeks, we hope to have a date and place to share with you as well as how you can be a part of the project.

Flower Calendar

If you are interested in providing flowers for our sanctuary for the month of March, there is a sign-up calendar in the foyer.
