AUGUST 2024 NEWSLETTER
Rick Aultman—Pastor

August 2024

I noticed some folks baling hay the other day and was reminded that in just a few months the grass will be gone from the pastures, and the livestock will still need feeding. While most of our livestock around here does not include sheep, we are nevertheless, reminded that Jesus calls us to feed His sheep.

The Apostle Peter was desperate to show Jesus just how much he loved him. Jesus asked Peter, “Do you love me?” and Peter answered, “Lord, you know I do”. Then Jesus told him, “Feed my sheep”. This was a little confusing to Peter and sometimes to us as well. But Jesus was trying to teach him and us, that we show our love to Jesus by ministering to one another. The Christian life is not only about walking with Jesus; it involves us (Christian believers) walking together with Jesus. To serve Jesus is to serve others. To love Jesus is to love others. Ministry is not easy and is not for the selfish or faint-hearted. We are called to do things that we may, honestly, not want to do. Yet, serving Jesus involves being obedient to Him and ministering to others in His name. “Feed my sheep”.
