March 2026

God's distractions can be our greatest opportunities. For example, last month we had an ice storm that brought everything to a halt. We cancelled our Sunday morning services because the roads were so bad, and it looked like we were not going to have Church. But then by the end of the day, we had opened up our gym to provide a warm place for those without electricity or heat. One thing led to another, and soon we were cooking meals, providing hot showers, cutting trees out of driveways, and so on. So what looked like a roadblock to having Church turned out to be an opportunity to be the Church.

God allowed a distraction that became an opportunity for us to be the hands and feet of Jesus to our community. I am so proud of the church family and the way that they have responded in this time of need. Whether it was cooking, making coffee, dragging tree limbs, or running a chainsaw, the people of Mangham Baptist Church have made the most of this opportunity by being a blessing to our community. Thank you all.
